EDUCATION

Google [UX Design Certificate](#)

// Jan 2023 - Jul 2023, Online

Completed rigorous training designed for job readiness. 15 modules included topics like: UX research fundamentals, inclusive design, low-fidelity and high-fidelity prototypes, and tools like Figma and Adobe XD.

EXPERIENCE

UX / UI Designer Bridge Studio

// Apr 2024 - Present, Remote

I work with clients to make their websites and apps easier to use and more visually appealing. My role involves understanding user needs, sketching ideas, and turning them into designs that developers can bring to life. I also test my ideas to make sure they solve the problems we set out to fix.

Product | UX / UI Designer Self-employed (barzii.design)

// Jun 2023 - Present, Remote

As a freelance Product / UX designer, I create designs that work for their users. I handle everything from talking to clients about their goals to designing layouts and testing how well they work. Every project is different, which keeps things exciting and gives me the chance to learn new skills.

Link Builder Together Networks

// Aug 2019 - Jan 2020, Zaporizhzhia, Ukraine, On-site

My job was to help the company's websites rank higher in search results. I researched opportunities to connect our content with other sites, built partnerships, and tracked how well those efforts worked.

Social Media Manager TrafficDNA

// Feb 2019 - Jul 2019, Zaporizhzhia, Ukraine, On-site

Managed social media accounts to increase brand awareness and audience engagement. Created and curated content adapted to target demographics, driving consistent growth in followers and interaction rates.
